All custom orders require a down payment of 50% after receiving the invoice with the remaining balance, plus destination shipping, due once your order arrives. We will not ship your order until payment in full has been received. Quantities manufactured can vary by as much as +/- 5% of the quantity ordered. You will be charged for any overages and will refund you the difference for any shortages, up to 5%. Please contact us for the latest production schedule so we can give you an accurate estimate of production and shipping times for your custom order.
